

Executive Presence

Participants' Feedback

"Executive Presence is a very useful, well structured and well presented program. I took a lot away from it. Also the facilitation style is unintimidating and encouraging of an open forum in which it is easy to build rapport. I have often found it difficult to tick all of those boxes in previous leadership seminars I have attended so my compliments to you on this program."

Senior Manager – Global Accounting Firm

"Very insightful; there are a lot of things I can now apply in my role."

General Manager – Major Australian Bank

"Being able to listen to others' experiences made me realise I'm not the only one. Excellent facilitation with great questions and guided discussions."

Group Finance Manager, Major Financial institution

"Now I know what I need to stop doing and what to start. I can change."

Events and Promotions Manager – Membership Organisation

"Enjoyable, effective and insightful."

Deputy Commissioner, Public Sector Organisation

"Excellent, well-run course, with take-aways I can use/apply."

Senior Manager, ASX-Listed Power Company

"Thank you for a wonderful workshop. Very empowering."

Stakeholder Manager, Government department

"I thought it was an excellent course and will recommend it to colleagues."

Director of Communications, Major Australian Bank

"A safe environment was provided and enabled everyone to participate and be open. People weren't 'forced' to speak but encouraged."

Director, People and Performance, Mining Company

"This was a really helpful course that enabled me to take the time to think about the future."
